Information Wanted.

Mr. Enron: Please allow me space in your valuable paper to bring before the notice of the public the following. Perhaps you or some of your numerous readers may be able to throw light on the subject, viz.:

Three different pieces of Government land, all in North Kona, Hawaii, have lately been sold or leased all to one person; without any notice by advertisement or otherwise, having been given to the public. A possible injury may have been done to one or more of the tax payers in Kona as well as to any one intending to benefit by the Homestead Act.

One lot which is, I believe, soldnot leased—on the sand beach or States before and since the purchase public steamboat landing at Kailua. specially mention this piece, as some of the leading natives Notice is bereby given to any and all Behring is an inland or closed sea. claim it did not belong to persons having any claims against the said More than sixty years ago (1824) the the Government; but belongs in United States, recognizing the whole or in part to the land of Lanihounui. However, was it fair of the Government, even if their title must be filed in the office of the under as the breeding place of the fur seal, hold good, to sell to any person a signed on or before the third day of made a special treaty to secure cer- lot, or what ought to be for the use tain privileges to American whale of the public at large?
